

DJ Central TV February Highlights 2026

DJ Central TV Expands Global Reach with 13 Major Streaming Networks Now Live

DJ Central TV has officially gone global. Now live across **13 major streaming networks**, the channel delivers nonstop electronic music to audiences worldwide, 24/7. From smart TVs to mobile screens, **Seasons 1 through 7** are connecting DJs, producers, and fans beyond borders. This expansion amplifies **independent artists**, powered by **advanced rights and royalty tracking**, and marks a bold step forward in DJ Central TV's mission: Music Without Borders. Click below to **read the full story**.

Mzansi Echoes: Soul Shift Music Amplifies Afro House Energy

Soul Shift Music presents **"Mzansi Echoes,"** an Afro House project highlighting the South African sound. Featuring **DJ Octopuz, Technatik, Miss P, Mr. Jbu,** and **additional artists**, the release delivers rhythmic club energy shaped by dance production. The album reflects the label's continued focus on Afro House culture and collaborative creativity. With multiple producers contributing distinctive styles, **"Mzansi Echoes"** stands as a strong addition to the Soul Shift Music catalogue. **Stream the album now on SoundCloud.**

Key Crashers, Simon J. Bergher, and Outlaizer unleash "Toxic Bloom"

A fresh force has dropped in the hard dance scene with **"Toxic Bloom,"** a high-powered single from **Key Crashers** alongside **Simon J. Bergher** and **Outlaizer** via **Evax3 Music**. Built for peak-hour energy, the track fuses a magnetic vocal hook with heavy kicks and driving bass, crafted to electrify clubs and festival stages. This hard-hitting masterpiece is already finding its way into major DJ sets worldwide, fueling the crowd with pure adrenaline. **Listen to the song now on Spotify.**

Revisit the Global Beat: The Complete Seven-Season Collection Hits Vimeo

The evolution of the global dance scene is now at your fingertips. **DJ Central** has officially curated its extensive **seven-season archive on Vimeo**, bringing years of iconic performances and exclusive interviews into one premium digital destination. This organized rollout ensures that every milestone is preserved in high definition for fans and industry insiders alike.
